 Ecosite, Age: NW20-70yrs

NOTES

North American Datum 1983
 UTM 6 degrees projection, Zone 15

This map is illustrative only. Do not rely on it as being a precise indicator of routes, location of features, nor as a guide to navigation.

Source of Information: Ontario Ministry of Natural Resources District File. Information compiled from field survey data, historical records, stakeholders information, reports from public, and data from other ministries. While every effort has been made to ensure accuracy and correctness of the material presented on this map, the OMNR assumes no responsibility for errors or omissions.

Fuel wood: All harvest blocks are generally eligible for fuel wood procurement, subject to the possession of a personal use or commercial fuel wood permit.

Renewal and Tending: All harvest blocks are eligible for renewal and tending.
